Eco-friendly Surface Disinfectant clinical disinfectant for ultimate performance

OptiZil contains a naturally occurring antimicrobial, HOCl, that is non-toxic and proven to quickly kill dangerous viruses, bacteria and spores on hard, soft and fabric surfaces. It is an extremely effective alcohol-free clinical disinfectant, performing 5 times faster than traditional active ingredients, typically in less than 1 minute.

Benefits include:

- ✓ Up to 120 times more effective than bleach*
- ✓ Free from QACs, alcohol and bleach
- ✓ Hypoallergenic, pH neutral and biodegradable

OptiZil

A fast, effective and safe surface disinfectant using nature's own powerful antimicrobial.

OptiZil's powerful formula is also ideal for cold sterilisation (soaking) of alginates, dentures and impressions. Tested to EN1500 and EN14476.

"We've been using OptiZil since the pandemic to reduce dangerous pathogens from our Practice environment. Its fast acting performance means quicker and safer transition between patients"

Effective & fast-acting against the widest range of pathogens

- Effective against dangerous viruses, bacteria and spores, including Pseudomonas, E. Coli, MRSA, coronaviruses, Hepatitis B & C
- Acts 5 times faster than traditional active ingredients, up to 120 times more effective than bleach*

* ask for details

Non-cytotoxic & non-mutagenic

- Free from quaternary ammonium compounds (QACs), bleach, alcohol and aldehydes
- Hypoallergenic, pH neutral, non-mutagenic and biodegradable
- Non irritating, even in concentrate

Environmentally friendly

- Negligible environmental impact, compared to your existing QAC and bleach disinfectants: degrades into harmless components
- Helps protect nurses against bioaccumulation

Available in 1L spray and 5L refill bottles.

About Tec-Safe

Tec-Safe is at the forefront of innovation to enhance infection control within the dental environment, with a particular focus on both sustainability and biofilm control. By developing new technologies exploiting the benefits of nature's most powerful disinfectant, CHL's proven range of advanced infection control solutions provide complete protection for you, your practice and your customers.
